4th Annual Research Symposium on Science, Religion & Culture

45 Francis Avenue, Cambridge, MA

9:00 am–5:45 pm
A reception will follow from 6–8 pm

Sperry Room; Andover 116

The annual SRC Research Symposium highlights the work of the program’s community, including Undergraduate Fellows, Junior Fellows, Doctoral Fellows and Associates, and Research Associates. Comprised of thematic panels crossing intellectual disciplines and topics of interest, the symposium showcases current research happening at the intersection of science, religion, and culture.
